

CLIMATE ACTION PLANNING TOOLS & RESOURCES: A Guide to Achieving ICLEI's Five Milestones

Access cutting-edge resources at no cost to your local government.

Through the Statewide Energy Efficiency Collaborative program (SEEC), ICLEI has developed a broad range of software tools, on-demand trainings, guidebooks, and templates to help you reach your climate action planning objectives. At each step of ICLEI's Five Milestones for Climate Mitigation process, receive the technical tools and training you need.

- 1 -

Milestone One: Conduct a GHG Inventory and Emissions Forecast

GHG Inventory Assistant software
GHG Forecast Assistant
Quick-Start Guide and instruction guides
Master Data Workbook for data collection
On-demand trainings

- 2 -

Milestone Two: Establish Reduction Target

Quick-Start Guide to Setting a GHG Reduction Target
On-demand trainings

- 3 -

Milestone Three: Develop Climate Action Plan

Climate Action Planning Assistant software
Quick-Start Guide for Climate Action Planning
Climate Action Planning Technical Guide
Climate Action Planning Technical Guide
Climate Action Plan Template & Sample Plan
On-demand trainings

- 4 -

Milestone Four: Implement Policies & Measures

Online Climate Action Plan Implementation Module
Energy Efficiency Implementation Resource Guide
City Planners' Energy Action Resource Guide
On-demand trainings

- 5 -

Milestone Five: Monitor & Verify Results

Measuring and Reporting Progress in Reducing GHG Emissions Guide
Climate Action Progress Report Template
On-demand trainings

The SEEC program is funded by California utility ratepayers and administered by Pacific Gas and Electric Company, San Diego Gas and Electric Company, Southern California Edison, and Southern California Gas Company under the auspices of the California Public Utilities Commission.
