

# Inventories and Setting Up Climate Action Plans

Nicholas Martin, Program Director  
Steve Frisch, President  
**Sierra Business Council**

# Process

- **Greenhouse Gas Inventories**
  - Municipal scale (17 local governments)
  - Community scale (17 local governments)
  - Combined report (2 local governments)
- **Energy Action Plans**
  - Energy efficiency chapter of Climate Action Plan
- **Climate Action Plans**
  - Require additional funds outside of IOU

# Successes

- **Program Improvements**
  - Streamlining inventories
    - Specialization of work
    - Development of additional templates and tools
- **Energy-Specific Planning**
  - Next step / bite-size approach

---

# Lessons Learned / Challenges

- **Lessons Learned**
  - Cost to jurisdictions
  - Build staff capacity / internal + external
  - Understanding methodologies
- **Challenges**
  - Politics, communications, messaging
