

# 15TH ANNUAL CALIFORNIA CLIMATE & ENERGY FORUM

Palm Springs, CA | June 25-26, 2024

The forum brings together several hundred local government staff, elected officials, and community organizations - all committed to saving energy, reducing emissions, and catalyzing climate action.

## YOU CAN HELP MAKE IT POSSIBLE!

# Sponsorship Packages

Sponsoring this year's forum is a great way to plug in to the climate and energy community in California - and to elevate your profile with the people pushing and implementing climate action.
